Eucharistic prayers for Catholic Nonviolence Days of Action

In June 2021, the Assembly for the Association of United States Catholic Priests (AUSCP) chose Gospel Nonviolence as one of three priorities for the coming three years. Members of AUSCP's Gospel Nonviolence Working Group welcomed this mandate and committed to continue implementing '*Artisans of Peace*', both as way of life and as a prophetic confrontation with the multiple forms of violence in our world through the transforming power of Gospel Nonviolence.

The Gospel Nonviolence Working Group encourages AUSCP to join Pax Christi International in the Catholic Nonviolence Days of Action, September 21-October 2 under the theme, "Nonviolence as a way of life in the web of Creation."

We encourage Catholics to invite local priests and bishops to pray over these Eucharistic prayers and implement them during the Catholic Nonviolence Days of Action (Sept 22-Oct 2) and to share this Eucharistic Prayer with your regional bishops' conference and the Vatican for review and blessing.
